

Johannes Bigge Trio - Tech Rider

Piano

Grand Piano (if not possible, an Upright Piano), tuned (440-442 Hz)
adjustable Piano Bench

Bass

Bass Amp (Glockenklang, Ampeg, Gallien Krüger)

Drums

The drums should be Yamaha maple custom absolute, Recording Custom, Sonor Hi-Lite or Lite, Vintage Ludwig or Vintage Gretsch or similar. **NO Dwdrums!**

- 14" maple snare drum
- 12 x 8" mounted tom
- 14 x 14 floor tom
- 18 x 14 bass drum
- 3 cymbal stands
- 1 hi-hat stand
- 1 snare drum stand
- 1 bass drum pedal
- 1 drum throne
- 1 carpet or rug for the drum set
- 1 little table or box to put small percussion on (p.e. piano stuhl works perfect for that)

The drumheads are the most important part of the drumset!

- The toms should have REMO white coated Ambassador heads on top and REMO white coated or clear Ambassador heads on the bottom.
(please No coated Pinstripes, coated Emperor, or Legacy drumheads)
- The snare drum should have a REMO white coated Ambassador head on top and a REMO clear Ambassador snare bottom or REMO Diplomat snare bottom head.
- The bass drum should have REMO white coated Ambassador heads on front and back sides.

Additionally:

2 music stands

If the band plays through PA system:

3 monitors with 3 independent monitor mixes
1 microphone at the piano
